DID YOU KNOW?

How long do you guarantee the school bags for?

Our school bags come with a lifetime manufacturer's warranty. In addition, our school bags have an anatomical back system for spinal support and a lightweight and super comfortable design.

What is the sun safety of the school polo?

Our school polos have a rating of UPF50, which is a protection category of 'Excellent'.

It's my child's first year of school, how many uniforms should I buy?

This will depend on your routine but we recommend at least four sets of uniforms to get you comfortably through the week. Another tip could be to buy one set of the next size up for emergency days.

What second-hand uniforms do you have in stock?

Second-hand uniforms are donated to the school, so our stock varies. We have found a number of parents like to keep a second-hand uniform set in their child's school bag (instead of plain clothes) in case of accidents etc. This can minimise any embarrassment.
